

Douglas F. Paulus, P.E.

Vice President and Corporate Secretary

dpaulus@hlreng.com

Doug Paulus is a professional engineer with almost 30 years of experience in a wide range of engineering and construction projects. Doug started at Hampton, Lenzini & Renwick (HLR) in 1978 and currently manages all Phase 3 construction-engineering operations. He holds a Bachelor of Science degree in Civil Engineering from Valparaiso University.

Engineering Expertise

Doug's main expertise is in construction engineering, including pavement, bridges, drainage, traffic signals, lighting, water main, and sanitary sewers. He also manages the construction engineering personnel at HLR.

He's been involved in projects including:

- **Sheridan Road** — Widening and reconstruction of PCC pavement for the Village of Kenilworth
- **Big Timber Road** — Widening and reconstruction of bituminous pavement for the City of Elgin
- **Westleigh Road** — Reconstruction of a new Westleigh Road bridge for the City of Lake Forest
- **Randall Road** — Widening and resurfacing of bituminous pavement in Kane County
- **Main Street (IL RT 14)** — Construction of pedestrian underpass and widening of existing pavement for the City of Crystal Lake
- **Lake Marian Road** — Widening and reconstruction of bituminous pavement with PCC course base of Lake Marian Road for the Village of Carpentersville
- **Liberty Street (IL RT 25)** — Widening of surfacing of bituminous pavement for the City of Elgin
- **Orchard Road** — Construction of the new Orchard Road Bridge over the Fox River for Kendall County

Responsiveness and Communication

Doug is known for his quick and accurate responses to client inquiries. He not only delivers an excellent end product, but also always looks for ways to improve HLR's processes.

Public Service

A member of HLR's staff for almost 30 years, Doug is known for his accessibility and commitment to building relationships. He is committed to working for the best interest of public agencies, creating a solid foundation for success.

More About Doug

Doug is an active member of ACEC and IRTBA. He will serve in a leadership position of APWA as a member of the committee on Bylaws and Rules for the term September 2007 through August 2008. He has volunteered with the National Ski Patrol since 1979.

"HLR's success has come from our personal attention to clients and quality of work. Clients like being in contact with the person doing the work. They like to deal directly with managers and owners." – Doug Paulus
