

ReJena H. Lyon, P.E., P.L.S.

Assistant Corporate Secretary

jl原因@hl原因.com

As the survey project manager and project engineer, Jeni possesses over 18 years of experience in land and right-of-way surveying. She held numerous positions within the company prior to her promotion to Assistant Corporate Secretary in 2008. She holds a Bachelor of Science degree in Civil Engineering from Tri-State University.

Prior to joining HLR in 1999, Jeni prepared and reviewed right-of-way and land acquisition documents for the Illinois Department of Transportation.

Engineering Expertise

As both a licensed Professional Engineer and Surveyor, Jeni brings extensive experience in preparing land acquisition documents for public agencies.

At HLR, Jeni is responsible for:

- Boundary surveys
- Right-of-way surveys
- Route surveys
- Preparing and reviewing plats and legal descriptions
- Construction layout

Jeni has managed several projects including:

- **IDOT's Mississippi River Bridge** - Right-of-way plat and document review for 330 parcels on several alignments for the bridge project connecting East St. Louis to St. Louis.
- **Randall Road at IL Route 64, City of St. Charles** - Right-of-way survey which included the preparation of plats and legal descriptions for 36 parcels.
- **FAP 310 (I-255 Freeway)** - Right-of-way survey which included the preparation of plats and legal descriptions for approximately 200 parcels.
- **DeKalb Airport Surveys** - Boundary surveys, staking and preparing legal descriptions of lease parcels and layout of hangars at the airport.

Responsiveness and Communication

Jeni is known for her responsiveness to clients and conscientious approach to project deadlines and budgets. Her versatility and attention to detail provide a high quality product while maintaining project milestones.

Public Service

Through her experience at IDOT, Jeni is familiar with the public agency land acquisition process. She is attentive to the local agency issues and is committed to making their project a success.

More about Jeni

In her spare time, Jeni enjoys attending sporting and music events with her three sons. She also enjoys sewing, scrapbooking and other crafts.
